

5 CRAFT WORKSHOPS with Fiona VanderWeyde over September and October.....

These Workshops will be held at Bill Hotson's Studio, 143 Old Cemetery Road, Chiltern

If you would like to attend any of these workshops but the date or day is not suitable you can get a few friends together and request another class time... day or evening.

□ INTRODUCTION TO COIL BASKETS with Fiona Vanderweyde

Saturday September 2 - 10.30am – 4.30pm **Cost:**\$65 per person (Class numbers limited so book early)

At Bill Hotson's Studio, 143 Old Cemetery Road, Chiltern

We provide morning & afternoon tea along with a grazing table and also a glass or two of bubbly.

Spend a delightful day with Fiona learning how to create your own unique Weavings and Coil Baskets. Learn a variety of techniques, using natural fibres or string along with hand stitching to create your own small works to take home. There will be a variety of products available for use on the day; however you may choose to bring some of your own.

Creating your own unique bowl or coil forms to make your own beautiful works of art is exciting and fun. Additions can be made to the bowls with beads, shells or be inspired by nature's gifts.

Materials Supplied Or BYO

□ GARDEN ART with Fiona Vanderweyde

Saturday September 16th 10.30am – 4.30pm **Cost: \$65 per person** -All Materials Supplied Or BYO

At Bill Hotson's Studio, 143 Old Cemetery Road, Chiltern

We provide morning & afternoon tea along with a grazing table and also a glass or two of bubbly.

Explore your creativity with design, shape and form and discover how simple it is to create unique sculptures for your garden from recycled or reclaimed materials.

Learn how to up-cycle and make a variety of sculptural wares. You will be encouraged to learn a range of varied tool uses, connecting techniques including pop-rivets, drilling, driving & wire twitching to create fabulous sculptures. Give you confidence to create your own beautiful works and want to continue developing your own artistic sculptural works at home.

□ BURST INTO SPRING WITH INTRODUCTION TO BOTANICAL ART & MARK MAKING with Fiona Vanderweyde

Saturday September 30th 10.30am – 4.30pm **COST:** \$65 per person

At Bill Hotson's Studio, 143 Old Cemetery Road, Chiltern

we provide morning & afternoon tea along with a grazing table and also a glass or two of bubbly.

Share with Fiona her passion for flora, nature and the garden.

Learn simple watercolour paint application, brush work, the joy of colour mixing, mark making and printing techniques to create your own beautiful works.

By the end of this class, students will feel confident using their new skills to continue developing their own artistic style! **All Materials Are Supplied or BYO**

□ INTRODUCTION TO ENCAUSTIC PAINTING with Fiona Vanderweyde

When : Sunday October 8th 10.30am – 4.30pm **COST:** \$85 per person (Class numbers limited so book early)

At Bill Hotson's Studio, 143 Old Cemetery Road, Chiltern

We provide morning & afternoon tea along with a grazing table and also a glass or two of bubbly.

Spend a delightful day with Fiona learning how to create your own unique Encaustic works and paintings.

Learn a variety of techniques, using paper, fabric or natural products and hand stitching to create your own small works to take home. There will be a variety of papers available; however you may choose to bring some of your own.

Creating your own unique marks is what art is all about, whether it's with a brush, pencil, charcoal or wax. It is also about the tools used to make these marks. Have fun being inspired by nature to explore different textures. Create various effects and marks from different tools and techniques along with natural, recycled materials and paper. **All Materials Are Supplied or can BYO**

□ **WIRE SCULPTURE** with **Fiona Vanderweyde**

Sunday October 22 - 10.30am – 4.30pm Cost: \$65 per person

At Bill Hotson's Studio, 143 Old Cemetery Road, Chiltern

we provide morning & afternoon tea along with a grazing table and also a glass or two of bubbly.

Explore the use of wire and discover your creativity with simple shapes and forms to create unique sculptures for your garden from recycled or rusty materials.

Learn how to make a variety of basic sculptural forms and create fabulous sculptures. You will leave this class feeling inspired and confident and want to continue developing your own artistic sculptural works at home. All Materials Are Supplied
